A Message from Pastor Keith & Debbie Day

Thank you for joining us at Chapel Creek Fellowship.

In the 2nd Chapter of Acts in the New Testament, we see a picture of the first Church and the believers of that time. They ate together, studied the word together, prayed with each other, helped each other ... basically they were **Doing Life Together!**

Everyone needs somewhere and someone to connect with and at Chapel Creek Fellowship, we strive to provide the opportunity to experience what it is to do life together.

Regardless of your religious background, we have an atmosphere that makes you feel like you're home. Whether you are just checking out this "church thing" or you are a committed Christ-follower, you are welcome here at Chapel Creek!

SEVEN Kids Ministry

Check-In is open from

SEVEN Kids Ministry In seven days God created the heavens, the earth and everything within it, but His most prized creation was us. In our SEVEN children's ministry we want to create a fun and welcoming environment for your child to learn the basic foundations of faith; that God created them, loves them, and wants a relationship with them.

In order for these foundations to stick, the message needs to be reinforced, that is why we offer **Parent Cue** take home materials to dive a little deeper as a family. Pick up a copy of the Parent Cue at the 411.

Reach Out!

"He said to them, 'Go into all the world and preach the gospel to all creation. Whoever believes and is baptized will be saved, but whoever does not believe will be condemned.'"

Mark 16:15-16 NIV

Jesus came to show us who God is. We were given a full-blown introduction to the reality of God on a mission. He sent His best to rescue and restore a broken and hopeless creation, that He deeply loved. We are the recipients of that divine plan that was prepared in the heart of God. The only thing required from us is to believe and repent.

The same God that went to such great lengths to make sure we were saved, also wants the same for everyone. He has given us (The Church) that responsibility and why not? Who better to reach those that don't know Christ than those who have experienced His love.

The next time you talk to your neighbor, or coworker, or family member, remember how important they are to God. Reach out to them with the love God reached out to you with. Together we will fulfill our great calling!

For Christ
